Helping Hands Giving Program & Bag Filling

Due to a scheduling conflict we won't be doing it during PSR this year. All PSR families are invited to fill the bags on Sunday, December 6th following the 10:00 am Mass. It will be a fun morning of coffee, donuts and bag stuffing! Hope to see you there.

What an inspirational and fun evening! Our vocational evening consisted of a tour of the Rectory. We saw the **SSS Warehouse**, a storage area, where Brother Gary showed us the beautifully constructed nativity scene and huge lit up angels that will soon be set up outside on Wilson Mills Road. He takes great pride in his work and does a lovely garden in the summertime. We also saw the **Emmanuel Office** where Fr. John Christman works for the magazine as a graphic designer and is a priest. He does graphic design, photographs and drawings. The magazine has been in existence for 120 years. At the **St. Ann Chapel** Sr. Patty Gentile, a Notre Dame nun, talked about her vocation as a nun giving her life to love God and others. In the **Youth Group Room** Linda and Jim Peters talked about the vocation of Marriage and how they met and fell in love. Every morning they say a prayer for one another and bless each other. They said when looking for a lifelong partner, the important thing is to look for someone who can help you get to heaven. In the **Parlor** we met Fr. Finabar, a Benedictine monk from Benedictine high school. He said he seeks God in the fellowship of community of his monastery.
