

## KID'S CORNER

Mrs. Sanson  
PSR Newsletter  
Sept. 21, 2015

It's been a busy Monday night. We talked about Pope Frances coming to the United States and did Chapter 1 in our books. Class flows when everyone works as a team and knows and does his/ her job. As the year goes on, we will get to know our jobs better. Ask your child what his/ her job is.

- #1 Paper passers & collectors
- #2 Homework checkers
- #3 PSR Booklet passers and collectors
- #4 Supply passers & collectors

*Everyone check the floor and desk tops for scraps.*

The children received their books, work booklets and pencils, **Please cover your child's Religion book with clear contact paper I sent home, to preserve it all year.** The Religion book and homework folder are to be taken home and brought back to class each week. I collect them and check them twice during the PSR school year-during the Christmas and Easter breaks. In the back of the homework folders you will find the Vocabulary definitions. The definitions they are to learn during the week will be highlighted. That way when it comes time for the test we will already know the words and their meanings. Every week we will review the words in fun ways.

On Oct 12th the parents will be meeting at 6:45 in the parish life center with Mrs. M. while the children are in class with me. There you will be receiving the **Journey With Jesus** Books. Please open them immediately when you get home and copy the dates that are on the colorful pages in front of the book onto your calendar. The white pages tell you what to do for the months. For the month of October it tells you how to start the scrapbook and about the **heart project** due Nov. 4, 2015 for the Commitment Service.

## NOTES FROM THE TEACHER

I am looking forward to working with you and your children. Call me if there is any problem.

Thank you to all who got page 8 and the \$35. fee, the 2nd grade children's information sheet, the Rules sheet signed and the All About Me Sheet back to me as quickly as you did.

Please check your child's folder every week for important papers, homework assignments and new vocabulary that they are learning. If you volunteered to help with the **Rosary**, and are available on Oct. 12th to help **assemble** them after the 15 min. meeting with Mrs. Margevicius (Mrs. M), I would appreciate it. Thank you. The kids will **make** them the following week, Oct. 19th. If you are available then, too, we'd appreciate it.

As promised the children got to sing "This Little Light of Mine, I'm going to let it Shine," with the light up fingers. We turned off all of the lights and sang in the dark. It was fun!

## PRAYER TABLE

Next week we will discuss the Prayer Table that the children will be setting up in their homes. Some suggestions are: in the bedroom by their bed or the living room where everyone in the family can pray as they go by it. The idea is to set it up in a "special place" where he/ she can go to spend a few quiet minutes with Jesus. We send home an item to put on it each week reinforcing the concept that was learned in class. More information will be coming home next week.

## HEAVENLY HOMEWORK:

Today we received our pencils and books and put our names on them. We also received contact paper. I appreciate it if you could please assist your child in **covering the Faith First book with contact paper**, while discussing respect for our property and the property of others. This is one way we can keep our books nice all year. Please study the **highlighted definitions #1-7** in the homework folder. Thank you
